Subject: My suggested new system to help us get invoices paid faster

Hello [colleague name],

I hope you are well.

There is a new payment system available to us called Chaser Pay which I suggest we start using at [Company name].

Chaser Pay will allow our customers to pay us via a wide range of convenient payment options, lets us receive payments faster with instant bank transfers, and lets customers pay invoices by simply clicking a link in their payment reminder email.

For these reasons, I believe implementing Chaser Pay would help us get invoices paid faster and improve cash flow for the business.

Chaser Pay is available as part of the accounts receivables software we currently use (called Chaser) as an embedded payments system. You can see [more info on Chaser Pay here](#).

Are you happy for me to sign up for Chaser Pay? Please let me know if you have any questions.

Warm regards,

[Your Name]
